

BAY AREA YOUTH SOCCER ASSOCIATION PLAYER GRANT FEE PROGRAM^{-rev 5/10}

MISSION STATEMENT

To enroll children in the Bay Area Youth Soccer Association program, who would not, due to economic restrictions, be able to begin participation in youth soccer.

FUNDING

BAYSA will, on an annual basis, allocate funds from the *prior year's operating reserve* for the BAYSA Player Fee Grant Program. These funds shall be approved by the BAYSA membership at a regular BAYSA Membership Meeting. Should the prior year's operating funds not create a reserve, BAYSA shall suspend funding for this program, until such a reserve does exist.

GRANT GUIDELINES

The purpose of these guidelines is to create a mechanism to equitably and effectively distribute funds allocated for the BAYSA Player Fee Grant Program. Said funds shall not leave the treasury of BAYSA, but shall be credited to the BAYSA member club as partial payment towards fees due BAYSA for Player Registration. In the event that no funds are appropriated, member clubs for such funding shall submit no applications, and no credits shall be awarded by the BAYSA Executive Committee to any member clubs.

1. Who may apply:
BAYSA member clubs, in good standing, may apply to the BAYSA Executive Committee, following a review and confirmation by the member club, at a formal board meeting of the club, that the player involved in the application does not have the financial capability to fund the predetermined fee to BAYSA. The application shall be signed by the club president (only) to verify board review occurred prior to filing for the grant.
2. Form of Application—the application must contain the following:
 - a. The name of the applying club including the club president's signature on form.
 - b. The name of the player for which the grant fee is to be applied.
3. Deadline for submission.
Applications must be submitted to the BAYSA Treasurer no later than October 15th of each year. Any unused grants may be used in the spring season.
4. Limitations on Applications:
 - a. BAYSA member clubs may apply for a maximum of two and one-half (2.5%) percent of the prior year's number of registered players.
 - b. The amount credited to the club will not exceed BAYSA fees for each player. Please refer to BAYSA book for fees.
