

GCYS Tryout information

GCYS will be conducting open tryouts each year for all of our boys and girls Div II competitive teams. The announcement of annual tryouts will be made via our website, www.gcysoccer.org. Tryouts will be held by late spring or early summer.

The DOT and Pro Training Staff will dictate how the tryouts are conducted and the process for selecting the final roster.

Selection to a team does not guarantee a player a place on the team the following year. Tryouts happen every year and allow teams to replace players who have dropped off or who have moved on. The player selections are without regard to race, religion, color, nationality or ethnicity.

It is in the best interest of the player to attend both tryout dates and he/she should come ready to play. If a player does not make the team, the player will be placed into the draft for player's age group for a Division III (Red) team.
